

Overview paragraph

“Guess the Word! is a game application for two players. The players take turns to be the questioner and the guesser. While player 1 types in one sentence and chooses a word from the sentence to be hidden, player 2 will try to complete the sentence with the help of three gif hints related to the hidden word.”

Guess the Word!

Write a sentence and hide a word with 3 GIFs.
Let your friend guess what the hidden word is.
